

Chalice: Sponsorship Program Update

Way to go Madonna! Over the course of our Lenten Almsgiving Project, we collected \$631.65. We have used \$444 to sponsor a child from Haiti. The remainder of the money will be held as ‘seed’ money for next year’s fundraiser to continue our sponsorship.

Hi, my name is Quenderly!

I am a 4 year old boy who lives in Grand-Bassin, Haiti.
I live with my parents and 1 brother and 4 sisters in a 2 room house with clay walls, dirt floors and metal sheet roofing.
I attend Centre Fleur De Marie School in preschool and my best subject is Reading.
My favourite activities are looking at storybooks and playing basketball.
At home I am responsible for washing dishes.
I want to be a doctor.
At my Sponsor Site, Haiti North, education is difficult to obtain due to extreme poverty. Sponsorship ensures that I can attend classes every day and helps to provide for my school supplies, tuition fees, and improved nutrition.
