Enabling Priorities

Schools will support and empower their staff through a faith based culture of supportive relationships

Strategies:

1. Karen will visit each class once a month to engage the class in Pray Me a Story. These will continue throughout the year. The guided reflections in *Pray Me a Story* series use popular children's books as a springboard for entering into imaginative prayer. After hearing the story, the child is gently guided into the scene to meet Jesus and prayerfully speak to him as one friend speaks to another.
2. Staff Team building Activities
 - a. PD Day on Staff Wellness
 - b. Included staff lunches and dinners – in and out of school
 - c. Secret Pals
