Dear Parents/Guardians,

The grade 4's will be going on a field trip to Sherwood Bowl on the morning of Friday, December 22nd. Participation in this activity will provide students the opportunity to meet a variety of learning outcomes in the physical education curriculum, such as:

- improving upon functional level of fitness through participation
- experiencing and appreciating the health benefits that result from physical activity
- acquiring and improving upon skills through a variety of developmentally appropriate movement activities in alternative environments
- interacting positively with others
- assuming responsibility to lead an active way of life

Students will bowl for one hour from 9:30am - 10:30am. We will be leaving the school at 9:00am and returning around 11:00am. Parents are welcome join us at the bowling alley, however due to limited space on the lanes, only students will be bowling. Please note that students will not be permitted to purchase any food items at the bowling alley.

The cost for this field trip is \$9.00 and can be paid on-line through your Parent Portal on Powerschool. Please access the parent portal for your current balance as your account has to be up to date for your child to attend this field trip. We wouldn't want anyone to miss this fun filled activity!

\$7.00 for the program/entrance fee

\$2.00 for the bus

Note that this amount is based on full participation. The amount may and will change depending on the number of students attending. Please note that this trip must be paid for by Monday, December 18 in order for your child to participate.
