

Dear Parents,

Teacher's Pet Educational Services is visiting our classroom! Our students will have the opportunity to participate in interactive stations while learning several key components of the curriculum. We will be having the "Senses" In-School Field Trip. We're headed deep down to the depths of the ocean floor with our expert diver Scuba Charlotte. She'll show us how to use our senses to feel for patterns on shells, examine plant life and listen for danger! We'll also learn how sea creatures use their senses to survive in the water. This deep sea adventure will overload your senses with fun!

Date of presentation: March 20, 2018

Time of presentation: 9:00 - 11:00

Cost: \$11.00 → Please go to Power School to pay for this activity. Please note, that this activity must be paid for by March 19th in order for your child to participate.

I hereby give my son/daughter _____ permission

to participate in the Senses In-School Field Trip

on March 20, 2018 at 9:00 AM PM.

Date: _____ Signature: _____

Allergy alert!

Students will be tasting and eating during this field trip. Here are the items they will be tasting.

- Sugar water
- Lemon juice or Lime Kool-Aid
- Goldfish crackers
- Salt water

Please circle yes or no below to indicate whether your child can participate in this activity and taste the above items.

YES or NO

We will require 4 volunteers to help out in station activities. Please fill out the form below if you are available to help, volunteers are asked to arrive 15 minutes earlier to receive instructions (Only volunteers who have completed and handed in their volunteer paper work will be contacted).

I, _____, can volunteer for this activity on Tuesday March 20th from 8:48-11:00.
