

May 8, 2018

Dear Parent/Guardian,

The Grade 4 students will be participating in the **Mayor's Recreation for Life Walk/Run** at Millennium Place on Wednesday, May 16th. Participation in this action packed, fun-filled morning will provide students the opportunity to meet a variety of learning outcomes in the physical education curriculum, such as:

- improving upon functional level of fitness through participation
- experiencing and appreciating the health benefits that result from physical activity
- acquiring and improving upon skills through a variety of developmentally appropriate movement activities in alternative environments
- interacting positively with others
- assuming responsibility to lead an active way of life

Students will be participating in a run/walk race around the outdoor soccer fields (rain or shine!). Please have your child dress appropriately for the weather. We will then head back indoors to enjoy a healthy snack (provided by Strathcona County) before a fun swim.

Thanks to sponsorship from Strathcona County, the cost for this field trip is \$3.00. The charge has been added to your Powerschool account. Please log into your parent portal to pay for this field trip.

We will be leaving the school at 9:15 AM, and returning at approximately 12:30 PM.

Thank you for your continued support of your child's education. Please feel free to contact the teachers with any questions or concerns that you may have.

Sincerely,

Mrs.Prenoslo and Mrs. Hinger
