

Zoo Field Trip

Wednesday May 23, 2018

9:00 - 2:30 PM

We will be visiting the Edmonton Valley Zoo on **Wednesday May 23, 2018**.

We will be taking all 3 classes along and we will travel by school bus.

We will be leaving the school at 9:15 AM so students need to be at school by 9:00 to begin loading the bus. They will be placed in groups with an adult upon arrival.

Please send along a simple healthy lunch and a water bottle in their backpacks. Please ensure that your child is dressed for the day's weather.

We will require several Parent Volunteers along to help supervise. Please remember that in order to volunteer, you must have both your Criminal Records Check and Child Intervention Checks on file at the office. Priority will be given to any Parent who has not yet had the opportunity to join us on one of our previous field trips. The number of volunteers needed will depend on the number of students attending. The cost per student to cover the bus and admissions will also depend on the number of students and parents attending but will be approximately \$14.00 - \$16.00 if most students attend. This form needs to be returned no later than Friday May 11, 2018 so that exact costs can be calculated and passed on to you. Parents chosen to come along as volunteers, and exact costs per student will be passed on to you via email shortly after May 11th, once all the forms are in. Payment must be made through the school's Parent Portal.

Please fill out the bottom part of this form and have it returned by **Friday May 11, 2018**.

Please keep the top portion of this form for your information.

Please return this portion of the form to school no later than Friday May 11, 2018
