

Field Trip To Smeltzer House
Monday, October 29, 2018

Few art mediums kindle growth and skills in children in the way that clay does. Working with clay enhances sensory development, motor skills, self-esteem, problem solving and self-expression that make programs at the Smeltzer House unique.

On the morning of **Monday, October 29**, the grade 3L students will be heading off to Smeltzer House to make a Peruvian Mask out of clay. Grade 3S will participate in this activity in the afternoon. This is a great cross-curricular activity that combines what we are learning in Social Studies (customs and traditions of Peruvian people) with Art.

The cost for this field trip is \$11.33.

\$7.50 for making the program

\$3.83 for the bus

Please pay on-line through Power School. Also, please note that this amount is based on full participation. The amount may change depending on the number of students attending.

3L will be leaving the school at 9:15am. The program begins at 9:30am and ends at 11:00. We will return by 11:15.

3S will be leaving the school at 12:45pm. The program begins at 1:00pm and ends at 2:30pm. We will return by 2:45pm.

Both classes will require at least three parent volunteers to join us, however, the more hands the better. If you are interested in joining us, please send a note in your child's agenda or complete the following slip.

Thank you for your continued support,
Mrs. Lampka
Miss Suddaby

In September, parents/caregivers completed the **2018 Low Risk Field Trip Form** on PowerSchool. No other consent forms are required, however, I would like to ensure that all parents/caregivers are aware that we will be out of the school on the above date. Please sign and return the slip below.

- ✓ I am aware of the following field trip that my child in Grade Three will be participating in.

Parent/Guardian Signature

- ✓ I am willing to volunteer to supervise this field trip.
