

Tuesday, January 8<sup>th</sup>, 2019

Dear Parents/Guardians,

Both Grade 4 classes will be participating in a field trip to the Edmonton Waste Management Centre for a tour on Thursday, January 24, **2019**. This field trip will complement our Science unit of study that we completed in October, "Waste and Our World". Edmonton Waste Management Centre is located at 250 Aurum Road NE,

*"With its collection of advanced recycling and composting facilities, the EWMC has been called "the ultimate waste theme park." Students will discover how recyclables get sorted, organic waste is turned into compost, e-waste is recycled, and waste is converted into methanol and ethanol." – EWMC*

For this tour, students will be transported between buildings on a bus. Please send your child with mittens, toques, and their winter coat as it may be a cold day, and we will be going on and off of the bus. The bus will pick us up at school at 12:10pm and we will return to school at 2:50 p.m.

Program cost: \$5.50 per student
Bus Cost: \$3.00
<b>Total: \$8.50</b>

This field trip cost is based on 100% class participation and can/will change based on actual attendance the day of the trip. This fee has been added to your Child's account. Please go onto the Parent Portal to pay.

If you have any questions please feel free to contact your child's teacher.

Thank you for your support!

Mrs. Prenoslo & Miss Clarkson & Mrs. Hinger
