

1-171-350-157-14

Dear Parents,

Teacher's Pet Educational Services is visiting our classroom! Our students will have the opportunity to participate in interactive stations while learning several key components of the curriculum.

Number Farm

Students count, sort and pattern everything from blue cows and green chickens to flowers and pitch forks. Songs, movement, stories and an engaging poster activity will show students that math helps everything make sense!

Date of presentation: or Tuesday, Feb. 19, 2019
Wednesday, Feb. 20/19

Time of presentation: 9:00-11:00 am.

Cost: \$ 13.00

Please return your payment for this event by Wed., Feb. 13/19

Please Log On Power School and pay \$13.00

I hereby give my son/daughter _____ permission to participate in the Number Farm In-School Field Trip on Wed., Feb. 20 at 9:00 AM PM.

Date: _____ Signature: _____

Amount enclosed: _____ or pay through your child's Power School Account

In order for your child to receive the maximum benefit from this field trip, we will require 4-5 volunteers to help out in station activities. Please arrive at least 15 minutes before the scheduled field trip time to receive instructions.

I will be able to volunteer.
Name/phone number: _____

I am sorry, but I will not be able to volunteer.
