

Grade One June Field Trips

1. Reading to the Horses-Arabian Horse Reading Literacy Program

On Tuesday June 12th, 1S will be heading out to a rural farm just outside of Fort Saskatchewan to read to Trifon and his 5 furry friends. This program provides a unique and effective opportunity for the children to escape the classroom and travel to a fascinating site where they will discover the joys of reading and learning through the magic of contact with live horses. The goal of this program is to spark the imagination of children so they will want to read and to help them develop/enhance their reading literacy skills. **We will need 5 volunteers to accompany us to the farm.** If you are available, please fill out and return the attached form. The bus will leave the school at 9:00 and return at 12:40. The cost for this program (which includes September's school visit, June's farm visit, and a hardcover book) is \$21.00/child. **Please login to your Parent Portal Account to pay this fee by June 8th** (please note that costs are based on full class participation. If your child will be absent from school this day, please let your child's teacher know so the cost/child can be adjusted).

A BIG thank you to PAC who has paid for the bussing for the Arabian Horse Literacy Program for both Grade One classes.

2. The Fort Heritage Precinct

On Wednesday June 20th, as part of our final Social Studies Unit, **both** Grade One classes will be visiting *The Fort Heritage Precinct*, located in Fort Saskatchewan, to learn how the past has influenced our present. **We will need 5 volunteers to accompany us on this all day field trip.** If you are available, please fill out and return the attached form. The bus will leave the school at 9:00 and return at 2:45. The cost for this program (which includes admission and bussing) is \$12.00/child. **Please login to your Parent Portal Account to pay this fee by June 8th** (please note that costs are based on full class participation. If your child will be absent from school this day, please let your child's teacher know so the cost/child can be adjusted).
