

November 27, 2019

Dear Parents/Guardians,

The grade 4 students will be going on a field trip to Sherwood Bowl on the morning of Monday, December 16. Participation in this activity will provide students the opportunity to meet a variety of learning outcomes in the physical education curriculum, such as:

- improving upon the functional level of fitness through participation
- experiencing and appreciating the health benefits that result from physical activity
- acquiring and improving upon skills through a variety of developmentally appropriate movement activities in alternative environments
- interacting positively with others
- assuming responsibility to lead an active way of life

Students will bowl for one hour from 10:30 am - 11:30 am. We will be leaving the school at 10:00 am and returning around 12:00 pm. Parents are welcome to join us at the bowling alley however, due to limited space on the lanes, only students will be bowling. Please note that students will not be permitted to purchase any food items at the bowling alley.

The cost of this field trip is \$8.65.

**\$7.00** for the program/entrance fee

**\$1.65** for the bus

**\$8.65 TOTAL**

The cost is based on full class participation. **This field trip cost was included in the Field Trip Fee for the first term that you have already paid on PowerSchool.**

Thank you for your continued support of your child's education. Feel free to contact the teachers with any questions or concerns that you may have.

Sincerely,

Miss Podoborozny, Mrs. Prenoslo, and Mrs. Lindbeck
