

**Grade 2 In-School Field Trip with  
Teacher's Pet Programming  
Friday, January 17th, 2020  
Magnetism**

Dear Grade Two Parents,

On Friday, January 17th, the grade two class will be spending the morning having an in-school field trip at Madonna Catholic School

Here's a little about the program:

Join Magnetic Mary as she takes your students on an exploration of the dynamics of magnets.

The students' exploration will pull them towards their own discovery of the unique characteristics of magnets, what they attract and repel, and explore magnetic fields and polarity. Students will be delighted with the magnetic toy that they will create to take home!

**Highlights**

- **Theme:** Magnetic Mary's Magnetic Journey
- **Activities:** Complete challenges and experiment with magnetic fields using unique materials, test and observe magnetic concepts such as magnetic poles, attract and repel, experience the magic of magnetic slime, create a magnetic toy.
- **Cross-curricular connections**
- **Take-Home:** Magnetic wand and project.

**Agenda for the Morning**

9:00 am - Head to the MPR for the programming.

9:00-11:00 am - Magnetism programming.

11:00 am - cleaning up

**Cost will be:** The cost will be \$15.75 per student.

Field trip cost is based on 100% class participation and can/will change based on actual attendance the day of the trip.

**Payment:** This fee will be included in the fees that will be added to your powerschool account for Jan.-Jun.

Thanks

Mrs. LaRose

---

**Volunteers: I am in need of 5 volunteers to come and help us the morning of January 17th. We would need you to help from 8:45 to 11:30ish. If you can help please return this bottom portion signed!**

I would love to help \_\_\_\_\_
