January Newsletter

Welcome back everyone!

With the New Year came some changes within our Brighter Beginnings and Pre-K classrooms. Mrs. Pineau and Mrs. Fortier are now teaching the afternoon Pre-K class on days 1-2 and 3-4 respectively. Some students will be moving rooms to accommodate needs and as a result, wonderful new friendships are being formed!

Within our classrooms, we will be working on our themes of winter and hibernation, as well as continue with our Animated Literacy. Our numeracy lessons will be focused on patterning and subitizing.

*****PLEASE NOTE THE FOLLOWING IMPORTANT INFORMATION*****

With the combined classes, some changes will also be occurring with FOP scheduling. Please see the attached letter for more details. Further information will also be discussed during your ISP meeting.

A Special Request....

With a chilly January ahead of us, we are noticing more winter gear coming to school with your child. **Please label all clothing items in order to ensure that they do not get lost.** Thank you.
