

**Family Oriented Programming (FOP) Sign-Up
Brighter Beginnings, Sherwood Park 2019-2020**

Please note the FOPs that will be offered for the remainder of the year. These are open to both PreK and Brighter Beginnings Families.

FOPs are an integral part of PUF programming and enable both the family and the schools to serve the needs of the children by empowering parents with information and skills. Please ensure you have selected 11 FOPs to complete for the year.

If you are unsure about the number of FOPs you have attended, please ask your teacher during your ISP meeting.

All FOPs are located at Madonna Catholic School unless otherwise noted.
