

September/2021

A message from your School Council Chair,

Hi everyone, thank you for taking the time to read our School Council letter. We are very excited to see what our upcoming school year brings. My name is Kerstin and I am your new Chair. I have two children , a girl and a boy, that attend this great school. I have nothing but great respect for the staff and the level of commitment that they have for our children. I work from home, which allows me to set my own hours and be involved as much as I can. I have been involved with the council for the past two years, making new friends and great memories. I feel that it keeps me in the loop and offers me a place where I can make a difference in my children's learning environment.

Please know that there is always an open invitation to join our meetings. You choose the level of participation that you are comfortable with. **Our next parent council meeting will be held virtually at 7:00PM on September 29th, 2021** . The details of this meeting , including the link will be in the SMORE. I hope to see you there, it is such a great opportunity to meet some great people in our school community.

I truly believe it takes a village to have a school that is spirited and full of life! We can not solely rely on our Principal and staff to make it work. We have had a number of parent volunteers that give their time to the school, and we look forward to your support again... **new faces are always welcome.** The more volunteers the better!

Our new member positions are as follows:

Kerstin Adamson - Chair

Erin Cholak - Treasurer

Jeness Stang - Secretary

If you have any questions, concerns, or want to volunteer, please feel free to reach out to me anytime via email.

I look forward to meeting you,

Kerstin Adamson
