 Year End Mass 10am-June 15
 Year End Party-June 16 & 17

JUNE NEWS

June

I can't believe it is already the end of the year! It has gone by so fast! We are continuing to further our literacy and numeracy skills, as well as looking at transitioning into grade one and what next year will be like!

Learning Focus

Students are becoming more confident in their writing and have enjoyed starting to spell independently. We continue to explore time by looking at our calendar and imagining what next year will be like!

We have a Rodeo Day scheduled, where we will be reviewing the letter R-the /r/ sound, r-controlled vowels, and Rosie Raccoon! Dress like a cowboy June 6&7!!

Last day to return library books is June 15-after that day, fees will be applied to Powerschool for any books not returned. Please let me know if you are not able to find your book at home.

Learning about Nature

We were blessed to have frog eggs donated to our class that have hatched into tadpoles who are busily swimming in their habitat. We also have caterpillars that we are watching grow, and we found a duck's nest on our school yard. We are waiting with anticipation to see if they will hatch by June 17! Learning about, interacting with and playing near these animals has led to wonderful conversation about our more-than-human companions and how we can ensure they survive and thrive!

Important Dates

- New Google Classroom Password is 1redball
- We are switching locations for our park visits-we will be going to Woodbridge Farms to explore a wetland environment-listening for and finding birds, examining the different plant life, and even pond dipping to look for aquatic organisms! Parent volunteers are always welcome on park trips!
- June 14 & 15 we have Teacher's Pet coming to teach us about bees and build bee houses with us. Teacher's Pet has requested that each class have 3-5 volunteers. Please let me know if you are able to volunteer for this day.
- June 16 & 17 will be our year-end party days. Parents are encouraged to join us for our last morning of classes, and students can bring a snack to share and (hopefully) their swimsuit and towel to splash on the spray deck!
- Parents and families are invited to our year-end Mass June 13th at 10am
