MEET THE TEACHER

My name is Tracey Pineau and I feel very blessed and honoured to be able to be a part of your child's education journey this year. I have been an elementary teacher for over ten years and my last five years have been in the Brighter Beginnings / PUF Pathways program at both Madonna school and at Saint John XXIII. It was during this time that I received most of my experience with children with complex needs. I find teaching in a classroom with children with complex needs extremely rewarding and I am so excited to finally meet your little ones face to face!

During the next few weeks of September, our wonderful PUF Pathways team will be able to get to know your child's interests and abilities in order to design a program that will be specially tailored to their strengths and needs. The Pathways team members that are in the classroom on a daily basis include myself and our lovely EA's, Mrs Tracy McCloy and Mrs. Melanie Proskow.

REMINDERS

- ✓ When regular classes begin and you are dropping your child off after 8:30 a.m, please come to the front door, ring the doorbell or phone the office (780-467-7972) in order to gain entry through the front door of the school.
- ✓ Thank you for sending NUT-FREE snacks! Many students have allergies and we appreciate your effort to keep all students safe during their school day. Please do not send juice boxes for snack time. Please pack a water bottle for your child instead; thank you for your cooperation.
