OUR LEARNING

We have been busy learning over the last few months! We have been focusing on sounds and the letters that make them and have learned most of the consonant sounds! We will continue to work toward this as well as understanding the messages behind text like interpreting meaning and motivations, interpreting illustrations and sequencing events. We will have lots of opportunity to focus on forward and backward counting as we explore our classroom advent calendar, we will explore different ways to compare groups, and discuss order and sequencing. A big thank you to parents and students for joining me for interviews last week! As usual, please don't hesitate to reach out if you need anything!

NOTES & REMINDERS

Google Classroom

Gentle reminder to log in to your child's google classroom account.

Their username is their 6-digit ID (can be found on PowerSchool)

followed by @eics.ab.ca

Password: 1redball

We have many photos up and it is a great way to start conversations with your child about school.

Show and Tell

We are continuing with our classroom show and tell, and students have been doing a fabulous job of sharing their thoughts with peers and asking great questions. We wrap up our class list before Christmas and will start up again after break.

DRESSING FOR THE WEATHER

Please ensure that your child is dressed for the weather every day! At this point in the year **warm boots, snow pants, a warm coat, mittens and head coverings** are essential every day. Boots and gloves/mitts should be at least partially waterproof as we go outside twice a day and items that are covered in snow will be wet by lunch recess. If your child has fleece or knitted gloves, please send multiple pairs so they have a dry set for second recess. **Don't forget to label items!**
