A NEW YEAR'S MESSAGE

The New Year is a wonderful time to experience rejuvenation and renewal. I hope that this break has brought our students and their families plenty of opportunities for engaging in fun-filled days, balanced with peaceful moments. We are excited to once again see everyone again as we continue our learning journey in Pathways!

SHOW AND SHARE

Starting in January, we will start sending home a "Show and Share" bag in your child's backpack every month. In this bag, there will be a sheet of paper with a suggested theme (e.g. this month it will be a special item that you received for Christmas) and a place to write three clues about the object. We will guide your child when it is their turn to read the clues to their friends. Please help them create "clues" when it is their turn to present. Thank you in advance for your help with this fun project!
