

I am welcome to play Soccer when I play by the rules.

Basic Rules

- ☐ **Let everyone play.** It is best to have grade 3S and 4S play with each other (older kids with older kids) unless you start a special "Mentorship" game.
- ☐ Commit to **working together** to make teams fair.
- ☐ **Use kind & respectful language.** Be positive. Behave in a Sportsmans-like way. Remember, we're here to play!
- ☐ We will **resolve conflicts** (goals or out of bounds for example) with 1 round of Rock, Paper, Scissors and then continue playing.
- ☐ No fooling around with the equipment. **Hands off the ball** unless you're the goalie or it's clearly out of bounds. This also means following Soccer game rules.
- ☐ **Play for fun and exercise!** The points don't matter.

Major Rule:

- ☐ **Kind bodies & Kind Hands:** No physical contact (includes hitting, punching, slide tackling, kicking, pushing, shoving...) This also includes aggressive & competitive play.

Consequences

- The first time a **basic rule** is broken:
 - Player leaves the game for the rest of the recess and the following recess (which may mean the next recess the next day).
- The Second time a **basic rule** is broken:
 - Player leaves the game for three full days (6 recesses).
- Repeated **basic rule** breaking
 - Phone call home
 - Consequences to be determined
- The first time a **major rule** is broken
 - Player leaves Soccer for one full week
 - Phone call home

While playing Soccer, I, _____, agree to following the rules and I accept the consequences for rule breaking. I commit to being a positive role model.
