

Feb 6, 2024

Dear Parents/Guardians,

The Grade 4 class will be participating in a field trip to the Edmonton Waste Management Centre for a tour on **Tuesday, February 27, 2024**. This field trip will complement our science unit of study that we completed in December, "Waste and Our World". Edmonton Waste Management Centre is located at 250 Aurum Road NE,

"With its collection of advanced recycling and composting facilities, the EWMC has been called "the ultimate waste theme park." Students will discover how recyclables get sorted, organic waste is turned into compost, e-waste is recycled, and waste is converted into methanol and ethanol." – EWMC

For this tour, students will be transported between buildings on a bus. Please send your child with appropriate clothing for the weather. The bus will pick us up at school at 9:00 am and we will return to school at 12:00 p.m.

Program cost: \$0
Bus Cost: \$4.50
Total: \$4.50

The cost is based on full class participation. Please log into your parent portal to pay the bussing fee. We wouldn't want anyone to miss this amazing learning opportunity!

If you have any questions please feel free to contact me.

Mrs. Alyssa Jessome

*** We are looking for up to 4 parents to join us as volunteer supervisors. Please indicate below if you are able to volunteer and I will be in touch.

___ Yes, I would like to volunteer for this field trip!

Name: _____ Child's name: _____
