

May 21, 2024

Dear Parents,

This year, we will have an opportunity to visit the Strathcona Wilderness Center, to explore the natural world and learn about wildlife in our area, and explore Indigenous history with their Peoples of the Land program. This field trip compliments the science, social studies, and physical education/wellness curricula.

The cost of the programming fees are covered by our school's *Indigenous Connections* fund.

The bus fee is an **estimated** \$6.16. This fee will be applied to your child's PowerSchool account. This cost is based on full class participation. The "per student" cost may and will change depending on the number of students attending. Payment will be required before the event in order for your child to participate. There is no field trip form required as this trip is covered under the low-risk consent in PowerSchool.

**Be sure to send a lunch and full water bottle with your child, and ensure that they are dressed appropriately for the weather as we will be spending a lot of time outdoors!**

Our classes would like **2 parent volunteers** to accompany us on June 18. Please email your child's teacher if you are able to volunteer.

Thank you for your continued support of your child's education. If you have any questions or concerns, please feel free to contact us. Thank you for your support!

Yours in Christ,

Mrs. Megan Fortier & Mrs. Alyssa Jessome
