Elk Island Catholic Schools - Seeing Christ in Everyone

Our circle of faith and learning.

At Elk Island Catholic Schools (EICS), our mission is to develop educational opportunities in the context of Gospel values, where students' gifts and talents are celebrated and nurtured through lifelong spiritual and personal experiences. Through the efforts of our caring and dedicated parents and staff, our students are provided with a faith-based learning environment where they are safe and supported as they strive toward excellence in academics, athletics, fine arts and spiritual growth and development.

EICS is a place for students to grow and discover who they are and where they want to go in life. From Kindergarten through Grade 12, education is the activity that opens doors to the future.

Elk Island Catholic Schools will ensure Success for all Students

EICS Division Education Assurance Plan 2022-2026

Our Strategic Priorities:

- 1. Faith Integration***
- 2. Learners and Learning***
- 3. Systemic Wellness***
- 4. Community Engagement***

REFER to DIVISION AP 360

School Collaborative Response Model will be used to support student Learning

The Collaborative Response Model consists of three integral elements which include **collaborative team meetings**, **assessments**, and a **continuum of supports**. The importance of all elements being firmly established is to create an effective support system for all students.

Communicating Student Learning

Report cards are only one piece of the communication system. It is a summary document that communicates student achievement that should have already been shared in some way. ***There should be no surprises for the student or parent.*** Alternate forms of communication may include:

- Feedback on student work
- Evidence of student learning
- Three-way conferences
- Phone calls
- Emails
- Meetings
- Notes in agendas
- Student reflections
- Meet the Teacher Night
- Celebration of Learning

The Comprehensive Reporting System of Elk Island Catholic Schools, as indicated in [***Administrative Procedure 360***](#), shall include:

- *Communication of student learning in relation to the Alberta Program of Studies Learning Outcomes;*
- *Communication of student performance in relation to citizenship and social responsibility expectations;*
- *On-going communication between home and the school (e.g. phone calls, emails, agendas)*
- *The provision of regular and timely access to information about student achievement, which could include online access where applicable; multiple opportunities for learning conferences with students, parents and teachers, interim reports, evidence of student learning;*

- *Report Cards.*

Reporting Periods with Report Cards

- September – January
- February – June

Report Cards Issued

Report cards are written records of ***student performance on curriculum outcomes*** over a period of time. These will be emailed and accessible on Powerschool on:

- January 31, 2025 SP/FS/Veg
- January 30, 2025 Camrose
- June 25, 2025 - SP/FS/Veg
- June 26, 2025 - Camrose

Evidence of Learning Journey

Evidence of learning is a ***visual and/or oral history of a student's learning*** over time. Evidence of Learning and progress will be communicated to parents on a timely and ongoing basis. The process used to share Evidence of Learning at each school site must meet the following criteria:

- connected to student learning outcomes
- initiate conversations between the school and home,
- student centered (students articulate their learning)
- demonstrates student growth over time (strengths, areas of growth, and next steps).

Evidence of learning will be sent home:

- October 28th, 2024
- March 10th, 2025

Three-way Conferences (Personalize – enter school dates)

An opportunity for the ***student, parent and teacher to engage in conversations*** around the strengths, areas of growth and next steps of the student. These three-way conferences will occur on:

- November 6-7th, 2024
- March 18-19th, 2025

Student Support Plans:

****Instructional Support Plan (ISP)***

****Regulation Support Plan (RSP)***

****Competency Report Card***

An Instructional Support Plan is required for any EICS student that ***requires specialized or individualized, targeted supports or interventions, assessment accommodations and services.*** Students requiring specialized supports and services typically have a diagnosis of a disability or delay by a qualified professional. The purpose of an ISP is to ***provide responsive and meaningful learning opportunities for all students,*** using the program of study as a starting point of instruction and aligning with our EICS Continuum of Supports.

All EICS students with a diagnosis of a disability or delay shall have an ISP. Supporting documentation for the student's diagnosis is available in his/her portfolio on PASI (Provincial Approach to Student Information).

- The responsibility of completing the ISP belongs to the classroom teacher(s). This is to be a collaborative process which includes teachers, parents, the student, and the school's Learning Support team. As such, all parties are responsible to report and comment on the level of achievement and engagement experienced by the student through the use of stated accommodations and strategies. The ISP is a fluid document meant to capture and accompany responsive interventions.
- Parental input is collaborative, necessary and should be ongoing. Teachers invite parents to participate in the ISP process by granting them access to the ISP document through PowerSchool and engaging in meaningful dialogue throughout the year.
- ISPs are to be submitted to the principal by **October 20** for approval. Once approved, contributing members review and endorse the ISP. After initial endorsement, there will be a mid-year interim review and final review for transition.

English Language Learners (ELL) Proficiency Benchmarks

English as a Second Language (ESL) benchmarks are completed by the classroom teacher or by a designated ELL teacher and are entered into PowerSchool. Proficiency benchmarks are shared with parents during scheduled Three Way Conferences. Specific language learning feedback is also provided through formative and summative assessments.

Growth as a Learner

Teacher's professional judgment and rubrics will be used to assess *student effort, participation, attitude and other behaviours*. Growth as a learner is reported as a level of frequency and not to be factored in the level of achievement or student grade.

Growth as a Learner

Growth as a Learner is represented by the 4 Es with corresponding indicators. They are assessed based on three levels of frequency or learner skills across the subject areas.

Level of Achievement and Grades

Level of Achievement and grades are based on the student's *demonstration of attitudes, skills and knowledge* relative to grade level learner outcomes in the Alberta Program of Studies or in Individualized Support Plans (ISPs).

For students in **Kindergarten**, *Evidence of Student Learning* is collected through a variety of assessments within a Kindergarten classroom.

- Assessment is an ongoing part of each child’s daily learning.
- Opportunities are created for children to demonstrate their understanding in a variety of ways.
- Assessment is used to provide feedback to the child and parents and to plan the learning environment.
- When assessment criteria is shared with children they will be more likely to be successful and complete the task (Alberta Education, *Kindergarten Program Statement*, 2008).

Assessments

Creating quality learning environments that empower *students to know where they are, where they need to go, and how they are going to get there* is a focus within all Elk Island Catholic

Schools. The reporting of student achievement will be based upon the learning outcomes in the Alberta Program of Studies.

- **Formative Assessments**

- Formative assessment occurs daily to monitor student learning
- Share learning targets regularly to develop a common understanding
- Give and receive timely descriptive feedback about student learning. It should focus on what a student can do, clearly identifying both strengths and areas of difficulty.
- Involve students in their own assessment (e.g. self/peer)
- Should be an ongoing process
- Use assessment to inform instruction (e.g. Goal setting, self-reflection, next steps)
- Teachers should provide sufficient formative opportunities prior to summative assessment.

- **Summative Assessments**

- Summative assessment occurs at or near the end of a period of learning, and may be used to inform further instruction.
- Students need the opportunity to demonstrate their learning in performance based assessments when appropriate.
- Assessment must be based on the most recent demonstration of student learning.
- Effort, participation, attitude and other behaviours, that may not be curriculum based, must be reported separately from academic achievement.
- Student participation in the group may only be assessed individually.
- Teachers will obtain assessment information through a variety of means.

Triangulation of Evidence may include:

- **Observations (Anecdotal Evidence)** (e.g. dramatization, group work, lab procedures, performance)
- **Conversations (Anecdotal Evidence)**(e.g. questioning, conferencing, group work, class discussions, self/peer assessment, journaling)
- **Products** (e.g. exams, quizzes, authentic learning tasks)
- Individual summative assessments shall not exceed 20% of the final grade.

- Based upon the **teacher's professional judgment** students may be provided the opportunity to have a second chance at a summative assessment, with **sufficient time for learning opportunities** between assessments.

Homework (Personalize)

- Homework is an expected extension of COGITO programming and will be communicated by the homeroom teacher.
- Mainstream students may have homework resulting from effective use of in class time,

special projects and/or extra practice. Homework is at the discretion of the homeroom teacher and will be communicated.

Long Range Plans and Course Outlines (Personalize)

All teachers shall provide a *course outline of the learner expectations* (curriculum standards), and assessment methods to students and parents.

[What will my child learn this year?](#) While communicated at the beginning of the year in the school newsletter, [linked here is the Alberta Education Curriculum](#) that all mainstream and COGITO teachers follow.

Division Assessments- Diagnostics and Observation Instruments

- **Kindergarten Screener** (Teacher Assessment)
- **Phonological Awareness Screener** (Teacher Assessment) - Grade 1, 2, 3
- **Reading Assessments**
 - Administered in Grades 1- 9 - Fountas & Pinnell
 - Administered in Grades 5 - 9 - Star Reading Assessment
- **Reading Assessments (French Immersion)**
 - GB + Administered - Grades 1- 6
 - EICS French Reading Assessment - Grades 5-8
- **ELL Testing:**
 - Idea Proficiency Test (IPT)
 - Administered to all ELL students
- **Insight Testing (group-administered test of cognitive abilities)**
 - Administered in Grade 4 and 8.
- **EICS Math Assessment**
 - Administered in Grade 1 - Grade 10
- **Provincial Achievement Tests**
 - Measure how well students are learning what they are expected to learn.
 - See Administration Schedules set by Alberta Learning for Grade 6 and 9 students.
- **Diploma Examinations**
 - Certify the level of individual student achievement in selected Grade 12 courses, to ensure that province-wide standards of achievement are maintained, and to report individual and group results. See Administration Procedures and Schedules set by Alberta Learning.
