Dear parents and guardians,

In February, we will be have an exciting opportunity to have an in-school field by Puppet Tree House!

On Friday afternoon, February 28, 2025, students of KSF-Cogito will be attending this field trip. This field trip connects with the Kindergarten Language Arts and Literacy Curriculum in that it will be a unique literacy experience in which students may build their vocabulary and develop their story-telling skills. Students will first observe a professional puppeteer tell stories and then interact with and use the puppets themselves to tell their own stories.

The cost for this field trip is \$26 per student (GST included). This fee has been applied to your child's account. Please process the payment through your Parent Portal. Payment of this fee is required before the event for your child to participate.

Please note that fees collected for this field trip are estimates. Students' fees will be adjusted to reflect the actual costs incurred. The fee is based on admission/transportation and facilitator instruction costs, and is divided equally among all students in the class. Unfortunately, there will be no refunds for absences unless the actual costs allow for it.

Thank you for your continued support of your child's education. If you have any questions or concerns, please feel free to contact me.

Thank you for your support!

Mrs. Maria Sumalinog-Fawcett
