

### Telus World of Science Trip

Dear 2L Families,

We will be heading to Telus World of Science for a day of science on Thursday Dec. 19th, 2024.

We will be exploring all the galleries, participating in some classroom activities, seeing the feature exhibit and checking out a Zeidler Dome show!

This field trip ties to our curriculum:

- Students investigate the behaviours of light
- Students investigate the growth and development of animals and consider their relationship to humans
- Students apply creativity when designing instructions to achieve a desired outcome

Our schedule:

9:00 - Leave Madonna

9:30 - Arrive at Telus World of Science

9:45-10:30 - Chilling Out Session

10:45-11:15 - Aurora: Lights of Wonder in Zeidler Dome

11:30-11:55 - Lunch

12:00-1:00 - Intro to Robotics Session

1:00-1:30 - Climate Quest Feature Exhibit

1:30-2:30 - Gallery Exploration and Gift Shop time

2:30 - Leave Telus World of Science

3:00 - Arrive back at Madonna

The cost \$29.43 per student (\$24.61 for the field trip and \$4.82 for the bus). This fee has been added to your child's powerschool account. Please note that the fee is based on all students participating; fees may be adjusted depending on the total number of students.

Thank you to those who have volunteered to join us! I have enough volunteers at this time.

If you are choosing to send money for the gift shop, it will be your child's responsibility to keep track of it throughout the day. They will be able to go to the gift shop during the gallery exploration time when their group chooses to go!

Thank you for your continued support and a wonderful year so far!

Mrs. LaRose
