January 9, 2025

Dear Parents,

This January 16, we have the opportunity to participate in a field trip to Telus World of Science!

At Telus World of Science, we will explore the exhibits, CuriousCITY, and observe the programs *In My Backyard* and *Sensational Senses*. This compliments the kindergarten Science curriculum (properties of object and senses, movement of objects, humans, and animals, examining our environment, and interpreting instructions). This will be a lovely addition to our kindergarten programming and an enriching experience.

The bus will depart Madonna at **9:00am**, and arrive back at the school by **2:40pm**.

Itinerary:

9:00 - depart Madonna	12:00 - <i>Sensational Senses</i>
9:30 - arrive at TWOSE	12:45 - time to explore exhibits
10:30 - CuriousCITY	1:15 - <i>In my Backyard</i>
11:00 - time to explore exhibits	2:00 - depart TWOSE
11:30 - lunch	2:30 - arrive at Madonna

The cost for this program is \$22.44 and will be added to your child's PowerSchool portfolio this week.

\$16.60 fee for Telus World of Science

\$5.84 bus fee (**estimate**)

Please note that this amount is based on full class participation. The "per student" cost may and will change depending on the number of students attending and there will be no refunds. Payment is required before the event in order for your child to participate. There is no field trip form required as this trip is covered under the low-risk consent in PowerSchool.

We would love to have up to 6 parent volunteers join us for this trip. Please contact me if you are able to join us! Thank you for your attention in this matter, and please contact me with any questions you may have.

Sincerely,
Megan Fortier
