

Date: February 26th, 2025

Dear Parents and Guardians,

During March we will have an exciting opportunity to have an in school field trip by Clay for Kids! On Friday, March 14th, the students of Cogito and Mainstream MW Kindergarten will be participating in this field trip. This program compliments the Fine Arts curriculum.

Students will get a unique opportunity to create two glass fusion pieces in a fun workshop with the help and guidance of a speciality art instructor. We will be hand cutting colourful pieces of glass into a mosaic of sizes and shapes so each student can create two unique projects.

The cost for this field trip is \$17 per student plus GST. This fee has been applied to your child's account. Please process the payment through your Parent Portal. Payment of this fee is required before the event for your child to participate.

Please note that fees collected for this field trip are estimates. Students' fees will be adjusted to reflect the actual costs incurred. The fee is based on admission/transportation and facilitator instruction costs, and is divided equally among all students in the class. Unfortunately, there will be no refunds for absences unless the actual costs allow for it.

Thank you for your continued support of your child's education. If you have any questions or concerns, please feel free to contact me.

Thank you for your support!

Mrs. Kassia Selinger

Our class is looking for [3] parent volunteers to accompany us on the field trip. If you are able to volunteer, please email me to indicate your interest and I will contact you with further details.
