

Madonna Catholic School Parking Information

In the Spring of 2015, Strathcona County and EICS schools implemented a *Traffic Control Plan for Madonna school* and a **dedicated parent drop off** on Malvern Drive. This is monitored by the County Peace Officers and is subject to ticketing.

Please, help us to keep your children safe!

- The drop off and bus areas are supervised by staff from 8:30 – 8:45 am and afterschool from 3:13 – 3:20pm. Playground supervision outside is from 8:30 to 8:45 (first bell). School starts at 8:48 am
- NO PARKING or DROP OFFs for any children (unless you are accessing the disability stall – your vehicle must have a visible placard)
- There is often 1 empty stall open immediate next to the disability stall. Use this if you are accessing your children during the school day in order to attend appointments, or the situation warrants that you need to have close access to the school. DROP OFFs or pick-ups again, are not allowed for any children from all classes, grades or the preschools.
- When using the drop off, please pull ahead if needed, as traffic can easily back up into the traffic circle

Plenty of parking is available on these streets - directly across from the school. As well there is a marked crosswalk to ensure safety for your children

- Main Boulevard
- Market Street
- Or the WEST side of Malvern Drive.
